TAX INSTALLMENT PAYMENT PLAN (TIPP)

SIGN UP TO PAY YOUR TAXES IN MONTHLY INSTALLMENTS

WHAT IS TIPP?

TIPP is the Tax Installment Payment Plan by which taxpayers pay their property taxes in monthly installments by pre-authorized transfer of funds from their bank account, rather than one single tax payment.

WHY SHOULD I USE TIPP?

- TIPP breaks the annual tax payment into 12 monthly payments to make budgeting easier.
- Regular payments are assured. If you are on vacation, out of town on business or sick, your payment will be made on time.
- Convenient and reliable method of ensuring that your tax bill is paid.

WHO CAN USE TIPP?

All taxpayers are eligible providing all previous years taxes are paid in full.

HOW DOES IT WORK?

- Payments start January 1st on each year and are made on the first of every month thereafter.
- Monthly payments for July to December shall be equal to 1/6 of the outstanding balance for the current year which is the difference between payments made and the current year's levy.
- Once you are on TIPP you will be automatically renewed on the plan each year.

WHEN CAN I APPLY FOR TIPP?

You can apply for TIPP at any time. If your application is received after January 1st of the current year, you will be required to make an initial payment equal to the total of the missed installment of the current year.

HOW DO YOU APPLY FOR TIPP?

To apply for TIPP, complete and sign the pre-authorized debit application form, attach a void cheque and return it to the office.

WITHDRAWAL FOR CANCELLATION

You may withdrawal from TIPP by submitting the TIPP Cancellation Form not less than 2 weeks before the next payment date. If any monthly payments are missed the County has the option to cancel the TIPP agreement. If you withdraw or the County cancels your TIPP agreement, all unpaid taxes become due and payable and are subject to penalties in accordance with the Tax Penalties Bylaw. Any payments made that are dishonored by the bank are subject to a \$20.00 service charge.
