

E-Billing Registration (Utilities)

Utility E-billing is a convenient and cost-effective way to receive your utility bill.

Choosing to sign up for E-billing does not change how you pay your utility bill, just how you receive the bill. You will receive an email with your current bill attached.

Please note that if your email address changes you are responsible for contacting the utilities department utilities@cypress.ab.ca with your new email address

If you decide to stop the E-billing service, simply e-mail your request to utilities@cypress.ab.ca
