## SALT MANAGEMENT

### *Purpose*

Cypress County will take actions necessary to manage road salts in a manner that protects the environment without compromising road safety.

### *Guidelines*

1. To meet the objectives of this Policy, Cypress County will:
  - a) manage road salts in accordance with the Environment Canada *Code of Practice for the Environmental Management of Road Salts*;
  - b) comply with applicable laws and regulations;
  - c) proactively provide information to employees and the public about the environment practices related to road salts;
  - d) adopt internal standards to meet or exceed regulatory requirements; and
  - e) conduct regular management reviews and make improvements wherever feasible.
2. Cypress County will create a Salt Management Plan
  - a) The Salt Management Plan will cover the use, storage and disposal of salt in the snow and ice control activities of Cypress County.
  - b) The Salt Management Plan will be reviewed regularly to ensure that the integrity of Salt Management Plan is maintained when changes are planned and implemented.
