WALSH WITHOUT WATER DUE TO WATER MAIN BREAK

DUNMORE, ALTA. – Residents of the hamlet of Walsh are without water until at least Sunday, Dec. 21 due to a water main break affecting a water station in Cypress County.

The break occurred in the early morning hours of Friday, Dec. 19. Approximately 38 customers will not have water supply until crews are able to restore service.

Bottled water is being delivered to the fire hall in Walsh (318 3 Ave.) for residents to use. The fire hall will be open from 7 a.m.-7 p.m. daily. All residents in the area are asked to keep their taps closed.

Once the system is restored, there will be a boil water advisory. Run your water taps to flush the system. There may be air trapped in some lines so you may notice some spurting.
