How would you like to receive your pass card? (select one)  Pick up in person  Mail  Scan me an emailed copy & mail original

Date of Application: \_\_\_\_\_

---

Cypress County residents,

When using your pass card there are a few items and restrictions which you should know about.

When a card holder crosses the scale at the Landfill, there is a charge of \$80.00 per tonne, with a minimum charge of \$10.00.

Cypress County pays up to \$400.00 per year for each pass card holder. This \$400.00 per year can be accumulated in any combination.

The holder of the Pass Card becomes responsible, at the time of crossing the scale, for all charges after the \$400.00 per year limit has been reached. Landfill staff will charge the card holder at the time of crossing. A letter will be sent out to the card holder when they have reached their annual limit.

If you have any questions about the use of the pass card, please contact the Cypress County Office.
